

One Point Perspective Room Drawing
Lehigh University AAD
Drawing 1 /Murphy

Assignment:

Draw a room in **One Point Perspective**. You may draw a fictional room and use the attached drawing example as imaginary space or create your own. Extra credit for drawing a one-point perspective drawing from observation/life (-your dorm or apartment). You may also draw a screen-shot from your favorite video game or movie still. Employ weighted line, negative space shape, cross contour line, sighting and perceptual grid lines.

Tools:

11 x 14 " paper
HB, 2B, 4B pencil
Ruler (recommended)
Micron pen is optional
